MATERIALS RECOVERY DIVISION

Blue Bags are delivered to those who participates in the recycling program and the bags are delivered four times a year. In 2017, North Augusta recycled 5,235 tons of materials!

What we Recycle!

- Paper / Cardboard
- Plastic Bottles / Jugs
- Glass / Metals

SANITATION DIVISION

The mission of the Sanitation Division is to protect the environment, public health and enhance the quality of life in the community by providing solid waste collection service in a convenient, economical and environmentally friendly manner.

North Augusta provides household garbage, recycling collection, yard waste, and bulk item pickup services once a week for each residential customer. Regular residential collection days are Monday - Thursday, unless altered in observance of holidays.

PROPERTY MAINTENANCE DIVISION

The Property Maintenance Division maintains trees and landscaped areas on city property, streetscapes, medians, various public grounds and in public rights of way. The division also maintains the City's Litter Control Program.

Litter Control

Motorist and pedestrians are responsible for creating between 30 and 50 percent of all litter. The rest comes from household or commercial garbage, construction sites, loading and delivery areas and uncovered trucks.

WASTEWATER O&M

The mission of the Division of Wastewater Operations is to protect both human health and the environment by providing the highest level of wastewater collection service for its customers.

The City of North Augusta provides wastewater collection service for approximately 11,743 customers, and is responsible for maintenance and operation of 218-square miles of pipeline!

WATER O&M

The mission of the Division of Water Operations is manage and maintain a vast network of infrastructure and to ensure high quality drinking water is readily available to our customers.

The City regularly inspects water lines, fire hydrants and valve systems to ensure optimal performance of the water distribution system.

WATER PRODUCTION

The mission of the Division of Water Operations is to improve the quality of life in the community by providing consumers with a safe and reliable supply of high quality drinking water.

CODE COMPLIANCE

The Code Compliance Division enforces a broad range codes that are designed to maintain a healthy, safe and clean environment, carry out land use policy, and preserve the quality of life standards that residents and businesses enjoy in our community.
