

PUBLIC ANNOUNCEMENT

RE: Wayfinding Signage Survey

Date: April 24, 2019

Status: For Public Release

Issued By: Libby Hodges, Planning and Development Director

Background

The City of North Augusta is working to revise our current wayfinding signage system. These signs are intended to provide public signage to important locations around North Augusta.

The Planning and Development Department has developed an online survey for visitors, residents, and other interested parties.

If you would like a paper copy to complete, please contact the Planning Department at planning@northaugusta.net or (803) 441-4221.

The survey is available here:
