ORDER OF BUSINESS

The study session for the City Council meeting of the City of North Augusta of May 20, 2019, having been duly publicized, was called to order by Mayor Pettit at 6:03 p.m. in the Council Conference room on the third floor of the Municipal Center and adjourned at 6:48 p.m.

Per Section 30-4-80(e) notice of the meetings by email was sent out to the current maintained "Agenda Mailout" list consisting of news media outlets and individuals or companies requesting notification. Notice of the meetings was also posted on the outside doors of the Municipal Center, the main bulletin board of the Municipal Center located on the first floor, and the City of North Augusta website.

Members present were Mayor Pettit and Councilmembers Brooks, Dickert, McGhee, Presnell, and Toole. Councilmember Carpenter was absent.

Also in attendance were B. Todd Glover, City Administrator; Kelly F. Zier, City Attorney; Cammie T. Hayes, Director of Finance; Richard L. Meyer, Director of Parks, Recreation, & Tourism; John C. Thomas, Director of Public Safety; Thomas C. Zeaser, Director of Engineering and Public Works; Lillian E. (Libby) Hodges, Director of Planning and Development; J. D. McCauley, Manager of Human Resources; and Sharon Lamar, City Clerk. Members of the public and media were also in attendance.

ITEM 1. CITY COUNCIL AGENDA: Items on the May 20, 2019 Council Agenda – Council Discussion

Council reviewed the items scheduled for the May 20, 2019 meeting.

ITEM 2. FINANCE: Audit – Fiscal Year Ending December 31, 2018 – Council Discussion

Director of Finance, Cammie Hayes, provided Council with information related to the status of the FY 2018 financial audit. A draft copy of the City's fund financial statements was emailed previously to Council with these notes:

"A few things to note during your review of these statements:

1) Pages 1 and 2 represent all of our governmental funds. The General Fund is the operating fund for all general government functions to include administration and finance, public safety, PRT, public works, etc. The estimated General Fund surplus for 2018 is \$825,129. The North Augusta Public Facilities Corporation Fund represents a portion of the Riverside Village project and is included in our financial statements as a component unit.

2) Page 3 is the General Fund summary. Both revenue and expenditures were over budget. The main reason expenditures reflect being over budget is due to purchases of capital items such as vehicles and equipment. We budget lease purchase payments every year since that is how we fund capital item purchases but fund financial statements require us to report them as capital outlay expenditures. The non-budgeted transfer out represents the 2017 surplus transfer to the Capital Projects Fund.

3) Pages 4-6 are our business type funds which include utilities, sanitation. stormwater and the savannah bluff lock and dam. We serve as the treasurer of the lock and dam fund but decisions are made by the consortium. The sanitation fund reflects a decrease in net position due to accounting for depreciation of capital assets.

4) Pages 7-31 provide detail for the financial summaries on pages 1-6.

5) Page 32 is a required state schedule:"

(See <u>ATTACHMENT #2</u> for a copy of the draft fund financial statements.) Due to scheduling conflicts, a representative from the auditing firm, Cherry Bekaert, was not available to present to Council. Ms. Hayes stated that the audit process began March 2019 and will wrap up June 2019. The audit shows no issues of concern or non-compliance. A finalized report will be placed on the City's website once the report is issued. The City will be applying for the Certificate of Achievement for Excellence in Financial Reporting (CAFR) from the Government Finance Officers Association for the 37th consecutive year. The City of North Augusta is tied for first place for this achievement with one other city in the State of South Carolina.

ITEM 3. PLANNING & DEVELOPMENT: Wayfinding Design Options – Council Discussion

Director of Planning and Development, Libby Hodges, presented wayfinding design options from KMA Design for Council's consideration and discussion. The designs were a result of survey responses of citizens from April 16, 2019 to May 10, 2019. KMA submitted five design options. (See <u>ATTACHMENT #3</u> for the design options.) Councilmembers shared candidly of their personal "likes" and

"dislikes." The conversation included discussion of colors, materials, visibility, etc. Ms. Hodges explained the need for feedback from Council for wayfinding designations. She will take the ideas and concerns expressed by Council back to KMA Design. Council should expect additional options to review in the near future that will reflect its input.

COUNCIL COMMENTS:

City Attorney, Kelly Zier, responded to Council's request at the last Study Session/Council Meeting to review State law to determine what would be required for the City to change its method of electing Mayor and Council from a partisan method to a nonpartisan method. (See <u>ATTACHMENT CC</u> for Mr. Zier's letter to Council) According to a 2014 Attorney General opinion, Mayor and Council can approve an ordinance to change the election method. If an ordinance is approved, it would become effective at the next General Municipal Election. Council will revisit and discuss this matter at a later meeting.

Councilmember Brooks suggested that Council renew the practice of department director updates to Council on the status of current projects. City Administrator Glover referred Council to the current City website. The "Quick Links" options offers information on current projects.

Councilmember Dickert asked the status of hiring an Assistant City Administrator. Glover responded the process as yielded three viable candidates for consideration.

Mayor Pettit shared that he will be mindful to read aloud pending resolutions and ordinances at future Council meetings for public information.

Councilmember Dickert asked about the status of the Public Safety Headquarters. Mayor Pettit stated that there will be further discussion at the June 17 Study Session and Council meeting. The mayor committed to providing Council with a timeline and schedule for this project moving forward.

There being no further business, Council adjourned the meeting at 6:48 p.m.

APPROVED THIS 3rd DAY OF JUNE, 2019.

David W. Mechee, Mayor Pro Tempore

Respectfully submitted,

Aharon Lamar

Sharon Lamar City Clerk

RE: PROCEDURE FOR THE CITY CHANGING FROM PARTISAN TO NONPARTISAN ELECTIONS

Dear All:

At the last Study Session/Council Meeting, I was requested to review State law to determine what would be required for the City to change its method of electing Mayor and Council from a partisan method, as we now have, to a nonpartisan method. I would advise you that, back towards the ends of last year or the first of this year, I was asked this question as a result of concerns related to costs of elections with primaries and the regular election. At that time I did some research and then also consulted with Danny Crowe, Esquire related to this matter.

I am enclosing herewith a copy of §5-15-30 which is the statute that deals with this issue. My review of the ordinance caused me concern that possibly a referendum was necessary if the change was as a result of a majority of Council or by a petition of registered municipal electors. It appeared that there could certainly be arguments made both for the necessity of referendum and for no referendum required if the majority of Council made the decision.

I am enclosing herewith an Attorney General opinion from 2014 addressing this matter. The opinion is very thorough and reaches a conclusion that the decision to go from partisan to nonpartisan elections can be made by the Council, without a referendum. If the decision was made and passed by ordinance, the change would be effective at the next general election of the municipality.

In support of this position, I would advise that, in 2014, Greenville passed an ordinance changing their elections from partisan to nonpartisan. That decision created a substantial amount of controversy and in fact pursuant to §5-15-30, citizens in Greenville submitted a petition to the Council requesting that a

referendum be held to decide the question. It is my understanding that, thereafter, prior to a referendum, the Council reversed its decision and voted to remain with partisan elections.

This procedure would certainly seem to support the position that the decision can be made by Council without a referendum.

I hope that this information responds to the questions presented to me.

I am also enclosing herewith a copy of the Attorney General's opinion.

Should any of you desire to discuss this with me further, please contact me at your convenience.

Sincerely, Attorney

CHAPTER 15 ations and Elections for Municipal (

Nominations and Elections for Municipal Offices

SECTION 5-15-10. Municipal primary, general and special elections conducted mutatis mutandi.

Municipal primary, general and special elections shall be conducted pursuant to Title 7, mutatis mutandi, except as otherwise provided for specifically in Chapters 1 through 17.

HISTORY: 1962 Code Section 47-90; 1975 (59) 692.

SECTION 5-15-20. Methods of election of council; mayor elected at large; qualifications.

Each municipality in this State shall provide by ordinance for the election of its council. Councils shall select any one of the following methods of election of council:

(1) Members of the council elected from the municipality at large.

(2) One member elected from each ward of the municipality by the qualified electors of the ward. Candidates seeking office from a particular ward shall be residents of the ward during their entire terms of office.

(3) Some members elected from wards as provided for in (2) and the remainder elected from the municipality at large.

(4) Members required to be residents of particular wards but be elected from the municipality at large.

(5) Some members may be required to be residents of particular wards and others may be residents of the municipality without regard to a particular ward and all members shall be elected from the municipality at large.

Regardless of the form adopted by the municipality, the mayor shall be elected at large.

Mayors and councilmen shall be qualified electors of the municipality and, if they are elected subject to residential or ward requirements as provided in this section, they shall be qualified electors of the ward prescribed for their election qualification.

HISTORY: 1962 Code Section 47-91; 1975 (59) 692; 1976 Act No. 623, Section 6.

SECTION 5-15-30. Procedure for changing number of or method of election of council members.

If by action of a majority of council, or if fifteen percent of the registered municipal electors present to the municipal election commission a duly executed petition on which none of the signatures is more than six months old, in which an election is sought to change the number of council members to a number authorized by the form of government under which the municipality is then operating or to change the method of election of council members, then the municipal governing body shall call a referendum not later than ninety days nor earlier than thirty days after the petition has been certified and delivered to the governing body by the municipal election commission. A petition must be certified as valid or rejected by the municipal election framed by the municipal governing body for the referendum in a format similar to that provided by Section 5-5-40, and no other election on the same question may be held for two years after that time. If more than one petition is received before publication of a notice of special election, the change sought in the petition bearing the highest number of qualified signatures must be submitted on the ballot. A change receiving a majority of the votes cast is effective at the next general election of the municipality.

HISTORY: 1962 Code Section 47-91.1; 1975 (59) 692; 1988 Act No. 455; 1990 Act No. 490, Section 1.

SECTION 5-15-40. Terms of office of mayor and councilmen.

The mayor and councilmen of each municipality shall be elected for terms of two or four years. Unless otherwise provided by ordinance, four-year terms shall be set so that not more than one-half of the council and mayor shall be elected in the same general election; provided, that in the first election after

March 31, 2014

Elise F. Crosby, Esquire City Attorney, City of Georgetown P.O. Box 939 Georgetown, S.C. 29442

Donna Mahn, Director Georgetown County Elections Commission 303 North Hazard Street Georgetown, S.C. 29440

Dear Ms. Crosby and Ms. Mahn,

We received your joint request seeking an opinion of this Office as to whether State law requires that a referendum be held in order to change elections for the City of Georgetown (the "City") from partisan to nonpartisan. By way of background, you state:

The Mayor and City Council ... are elected at-large, in partisan elections, with party primaries. The City has transferred authority to conduct all elections to the County Election Commission by ordinance. We have been asked to outline the method to consider a change to nonpartisan elections.

Having consulted with our professional colleagues and researched the issue, we believe there may be some question as to whether the law requires a referendum to change to nonpartisan elections. The answer may turn on whether Council has the option of referendum and/or the definition of "method of election." To wit:

§ 5-15-30. Procedure for changing the number of or method of election of council members.

If by action of a majority of council, or if fifteen percent of registered municipal electors present to the municipal election commission a duly executed petition on which none of the signatures is more than six months old, in which an election is sought to change the number of council members to a number authorized by the form of government under which the municipality is then operating or to change the method of election of council members, then the municipal governing body shall call a referendum There may be only one question framed by the municipal governing body for the referendum in a format similar to that provided by Section 5-5-40, and no Ms. Crosby Ms. Mahn Page 2 March 31, 2014

other election on the same question may be held for two years after that time.... A change receiving a majority of the votes cast is effective at the next general election of the municipality. (emphasis added)

If changing from partisan with primaries to nonpartisan elections is a "change of the method of election," the law appears to require a referendum. This is consistent with what was done in the cities of Charleston, Florence, and others, to our knowledge. Additionally, we reviewed the following, which while not controlling, seems to support that interpretation:

"A referendum is a special election to vote on a particular question. The state constitution and statutes require a referendum for certain actions, such as incurring general obligation debt exceeding the 8 percent limit, changing the form of government, changing the number or method of election of councilmembers, purchasing or selling a utility system, or granting an exclusive franchise...." (emphasis added)

Forms and Powers of Municipal Government, MASC August 2012

However, South Carolina also has specific statutes on nonpartisan elections:

§ 5-15-60. Municipality to adopt method of nominating candidates for and determining results of nonpartisan elections.

Each municipality in this State *shall adopt by ordinance* one of the following alternative *methods of nominating* candidates for and determining the results of its *nonpartisan elections*:

(1) The nonpartisan plurality method prescribed in Section 5-15-61;

(2) The nonpartisan election and runoff election method prescribed in Section 5-15-62;

(3) The nonpartisan primary election and general election method prescribed in Section 5-15-63. If nonpartisan elections are not provided for, nomination of candidates for municipal offices may be by party primary, party convention or by petition in accordance with the provisions of this chapter, the applicable provisions of the state election laws and the rules of municipal political party organizations not in conflict therewith. (emphasis added)

This may only apply after a municipality has adopted nonpartisan elections. But, as this section uses the word "method" to describe how candidates are nominated, and also uses the term "by ordinance," we cannot clearly reconcile the two sections....

Ms. Crosby Ms. Mahn Page 3 March 31, 2014

Law/Analysis

As mentioned in your letter, we believe the issue central to your request is whether a change from partisan to nonpartisan municipal elections constitutes a "change in the method of election of council. members" such that a referendum on the issue is required pursuant to S.C. Code § 5-15-30 (Supp. 1990). A number of principles of statutory interpretation are relevant here. "The cardinal rule of statutory construction is to ascertain and effectuate the intent of the legislature." Hodges v. Rainey, 341 S.C. 79, 86, 533 S.E.2d 578, 581 (2000). "[Courts] will give words their plain and ordinary meaning, and will not resort to a subtle or forced construction that would limit or expand the statute's operation." Harris v. Anderson County Sheriff's Office, 381 S.C. 357, 362, 673 S.E.2d 423, 425 (2009). "[S]tatutes must be read as a whole, and sections which are part of the same general statutory scheme must be construed together and each one given effect, if reasonable." State v. Thomas, 372 S.C. 466, 468, 642 S.E.2d 724, 725 (2007). [T]he title of a statute and heading of a section are of use only when they shed light on some ambiguous word or phrase and as tools available for resolution of doubt, but they cannot undo or limit what the text makes plain." Garner v. Houck, 312 S.C. 481, 486, 435 S.E.2d 847, 849 (1993).

Looking to related statutes, the section preceding § 5-15-30 provides:

§ 5-15-20. Methods of election of council; mayor elected at large; qualifications.

Each municipality in this State shall provide by ordinance for the election of its council. Councils shall select any one of the following methods of election of council:

(1) Members of the council elected from the municipality at large.

(2) One member elected from each ward of the municipality by the qualified electors of the ward. Candidates seeking office from a particular ward shall be residents of the ward during their entire terms of office.

(3) Some members elected from wards as provided for in (2) and the remainder elected from the municipality at large.

(4) Members required to be residents of particular wards but be elected from the municipality at large.

(5) Some members may be required to be residents of particular wards and others may be residents of the municipality without regard to a particular ward and all members shall be elected from the municipality at large.

Regardless of the form adopted by the municipality, the mayor shall be elected at large.

Ms. Crosby Ms. Mahn Page 4 March 31, 2014

> Mayors and councilmen shall be qualified electors of the municipality and, if they are elected subject to residential or ward requirements as provided in this section, they shall be qualified electors of the ward prescribed for their election qualification.

§ 5-15-20 (1976) (emphasis added).

The title of § 5-15-20, like that of § 5-15-30, indicates it addresses, *inter alia*, "[m]ethods of election of council." It is clear from the provisions of § 5-15-20 that the phrase "methods of election" as used in that section refers to whether members of council are elected at large, from single-member districts, or a combination of both. The use of the phrase "method(s) of election of council" in both the title and text of each section, as well as the proximity of the two sections, suggests that a "change in the method of council" for purposes of § 5-15-30 was intended to refer to the methods of election provided in § 5-15-20. In fact, in a 1982 opinion discussing § 5-15-30 we stated "it is clear from the preceding section, § 5-15-20, that when the term 'method of election' is used, what is meant is the method of determining the geographical districts from which council members shall be elected," and that "the election requirement of § 5-15-30 clearly applies to the matters set forth in § 5-15-20." <u>Op. S.C. Att'y Gen.</u>, 1982 WL 189318 (June 10, 1982); see also Op. S.C. Att'y Gen., 1978 WL 35253 (Dec. 1, 1978) (advising that the procedure for changing the method of election of city council from at large to single-method of election of city council from at large to single-method signed.

This understanding of "method of election" as used in § 5-15-30 is supported by other related statutes. The provisions of § 5-1-50 concern elections to vote on the incorporation of a new municipality. Subsection (B)(1) states:

(B)(1) At such election, all registered electors living in the area sought to be incorporated must be allowed to vote on the following questions:

(a) incorporation;

(b) name of the municipality;

(c) the form of government;

(d) method of election as prescribed in Section 5-15-20;

(e) whether the election is partisan or nonpartisan; and

(f) the terms of the mayor and council members.

§ 5-1-50(B)(1) (Supp. 2005) (emphasis added).

As emphasized above, § 5-1-50(B)(1) expressly recognizes that the "method of election" of council and the question of whether council elections are partisan or nonpartisan are distinct and separate issues. The direct reference in subsection (B)(1)(d) to the "method of election as prescribed in Section 5-15-20" reaffirms the conclusion of our prior opinions mentioned above that "method of election" as used

Ms. Crosby Ms. Mahn Page 5 March 31, 2014

in § 5-15-30 refers to whether council is elected at large, from single-member districts, or a combination of both.

Furthermore, language similar to that used in § 5-15-30 is found in § 4-9-10(c) concerning changes to the initial form of a county government. That subsection provides, in part, that "the initial form of government and the number and method of election of county council" may be changed only by referendum. § 4-9-10(c) (emphasis added). The only language in § 4-9-10 concerning the method by which members of county council are elected is found in subsection (a). In addition to providing that a referendum could be called prior to July 1, 1976 to determine the initial form of county government, § 4-9-10(a) goes on to state that "[a] referendum may also be called to determine the wishes of the registered electors as to the question of whether the members of the governing body of the county shall be elected from defined single member election districts or at large from the county...." Id. (emphasis added). Thus, for purposes of § 4-9-10(c) only a proposed change in the election of county council from at large to single-member districts or vice versa constitutes a change in the "method of election" such that a referendum is required. Although counties do not have the option of nonpartisan elections, § 4-9-10 and §§ 5-15-20 and -30 were all originally enacted as part of the "home rule" legislation of 1975.¹ This suggests the Legislature understood the phrase "method of election" as used in each of these sections to have the same meaning, i.e., to refer to the geographical area from which members of a local governing body are elected.

With that being said, nothing in § 5-15-60 expressly sets forth the procedure by which a municipality changes from partisan to nonpartisan elections. As indicated in your letter, the language of that section stating municipalities "shall adopt by ordinance one of the following alternative methods of nominating candidates for and determining the results of its nonpartisan elections" appears to apply after nonpartisan elections have already been adopted. (Emphasis added). Although the provisions of §§ 5-15-60 to -63 concerning nonpartisan elections use the words "method" or even "election method," these terms clearly refer to the methods of nominating candidates and/or counting votes to determine who is nominated or elected, e.g., whether candidates must receive a plurality or majority of votes. Such matters are unrelated to the issue of whether candidates are elected at large, from single-member districts, or a combination of the two. Therefore, we do not believe such matters constitute a "method(s) of election" for purposes of §§ 5-15-20 and -30. Furthermore, we believe the last sentence of § 5-15-60 which provides that candidates for municipal offices may be nominated by party primary, party convention, or petition "[i]f nonpartisan elections are not provided for" suggests the municipality decides whether elections are partisan or nonpartisan. (Emphasis added). Consistent with the broad power given to municipalities under § 5-7-30 to adopt ordinances "not inconsistent with the Constitution and general law of this State ... respecting any subject which appears to it necessary and proper for the security, general welfare, and convenience of the municipality or for preserving health, peace, order, and good government in it," it is our opinion municipal elections may be made nonpartisan without a referendum.

Conclusion

It is our opinion a referendum is not required under State law to change municipal elections from partisan to nonpartisan. Consistent with prior opinions of this Office, the language of § 5-15-30 requiring a referendum "to change the *method of election* of council members" refers to the "*methods of election* of

council" set forth in § 5-15-20 – i.e., whether members are elected at large, from single-member districts, or a combination of both. This conclusion is further supported by the language of several related statutes such as § 5-1-50(B)(1) which indicates the "method of election ... prescribed in Section 5-15-20" is an issue separate and distinct from the question of whether elections are partisan or nonpartisan. In addition, language similar to that used in § 5-15-30 is found in § 4-9-10 which indicates a change in the "method of election of county council" requiring a referendum likewise means a change in whether council is elected at large or from single-member districts. In the absence of any legislative provision expressly requiring a referendum to change municipal elections from partisan to nonpartisan, we believe municipalities have the power under § 5-7-30 to effectuate such a change via ordinance.
