Re: 911 Resident Call History

Hello,

My name is Shauntel Allen and I work for Project Family. Our agency is currently contracting with Columbia County Department of Family and Children Services in the State of Georgia to complete a Relative Home Evaluation for the placement of a foster child.

Part of this process requires a 911- Resident Call History on the family we are evaluating for the past five years. I would like to ask that a history be completed and scanned to sallen@projectfamilygeorgia.com for the following address.

Name(s): Amanda Edgar

308 Apache Drive North Augusta, SC 29841(Record request for March 2019- current)

Please feel free to call me if you have any questions or concerns at 706-452-8097.

Thank you for your time,
