

## **Addendum #2**

### **RIVERVIEW PARK TENNIS COURTS LIGHTING UPGRADE**

1. Correction: Integral or remote drivers are acceptable for fixtures.
2. All bidders are required to show photometric scans covering the entire primary playing area over an official USTA lighting layout grid (10' x 10') at time of bid.
3. All bidders are required to follow International Building Codes for wind loading in terms of weights of fixtures on existing 40' concrete poles.
