**Re:** permit & street closing, 9/19/19

This is to request any necessary permit/approval for a public, family-oriented event planned for **Thursday, 9/19** to celebrate Community Ministry Day and groundbreaking for a new facility. The event will be a fundraiser as well as an opportunity to increase awareness of the Ministry and its mission, hosted by the SnoCap. First Baptist Church has approved use of their parking lot to allow adequate space for the event. There will be live music, inflatables, classic cars, and "stations" representing college football teams (part of the fundraising effort). The event is from **5:30 - 8:30 pm**, with additional time for set-up and clean-up.

On behalf of Community Ministry of North Augusta and the SnoCap, **this is to request that West Avenue be closed between Jackson Ave and Spring Grove Avenue during the event, Thursday 9/19, 5:30 - 8:30 pm.** Businesses on this block have been/will be made aware of the event, and traffic on Jackson and Spring Grove will not be blocked.

We would also appreciate police presence at the event as deemed appropriate by city authorities.

Thank you for your consideration. Please contact us with any questions.
