

ALL-IN-ONE

RECYCLING

REDUCE  REUSE

ALL-IN-ONE mixed recycling eliminates the need for residents to separate household waste and recyclables. Residents simply place mixed household waste and recyclables in their roll cart. The collected waste and recyclables is transported to the City's Materials Recovery Facility for mechanical and manual recovery of recyclables.

The most effective way to reduce waste is to not create it in the first place. Making a new product requires a lot of materials and energy - raw materials must be extracted from the earth, and the product must be fabricated then transported to wherever it will be sold. As a result, reduction and reuse are the most effective ways you can save natural resources, protect the environment and save money.

New Years Day - January 1	
Normal Pick Up	Holiday Pick Up
Monday	Same Day (No Change)
Tuesday	Same Day (No Change)
Wednesday (Closed)	Thursday
Thursday	Same Day (No Change)
