### **DUE Date April 17, 2020 (rec'd by 4:00 p.m.) UPDATED 04/06/2020** **City of North Augusta Household Hazardous Materials Collection Day**

The City of North Augusta Stormwater Management Department (SWMD) is requesting proposals from qualified and certified hazardous waste event operators and transporters to conduct a one day collection event for household hazardous wastes in 2020 and in 2021. The City contains 9000 households, which will receive notification of the event with their utility bills as well as posted advertisements and newspaper advertisements. Various sources have documented household participation at between 1-2.5%. It can be assumed that there will be some small but unknown level of participation from households outside of the City. **The City intends to hold one event in 2020 and at least one event in 2021** at a large retail center parking area near the Kroger on Knox Avenue in North Augusta.

**The first event will be held Saturday, May 16, 2020 and will last 3 hours: 10 a.m. to 1 p.m. Please note, the 2020 event date may be postponed to a later date within the calendar year. This is due to uncertainty and potential ongoing restrictions for gatherings during the COVID19 crisis.**

Emailed or faxed proposals will be accepted until the deadline.
