CITY OF NORTH AUGUSTA
REQUEST FOR PROPOSALS

I. INTRODUCTION

A. General Information

The City of North Augusta (the “City”) is requesting proposals from local (within local calling area), qualified firms of Certified Public Accountants to audit its financial statements for the fiscal year ending December 31, 2020 with the option of auditing its financial statements for each of the three subsequent fiscal years. These audits are to be performed in accordance with generally accepted auditing standards and the U.S. Office of Management and Budget (OMB) Circular A-133.

There is no expressed or implied obligation for the City to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

To be considered, the sealed proposal must be received by Cammie T. Hayes at the Municipal Center, 100 Georgia Avenue (29841), P. O. Box 6400, North Augusta, SC 29861-6400 by 5:00 P. M. on August 10, 2020. The City of North Augusta reserves the right to reject any or all proposals submitted.

Proposals submitted will be evaluated by the Auditor Selection Committee, comprised of three Councilmembers, the City Administrator, and the Director of Finance.

During the evaluation process, the members of this committee reserve the right, where it may serve the City’s best interest, to request additional information or clarifications from proposers, or to allow corrections of errors or omissions. At the discretion of the selection committee, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

The City reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposals, unless clearly and specifically noted in the proposal submitted.

It is anticipated the selection of a firm will be completed by August 17, 2020. Following the notification of the selected firm, it is expected that a contract will be executed between both parties on or around August 18, 2020.

B. Term of Engagement

A four-year contract is contemplated, subject to annual review, the satisfactory negotiation of terms (including a price acceptable to both the City and the selected firm), the concurrence of the City, and the annual availability of an appropriation.

II. NATURE OF SERVICES REQUIRED

A. General

The City of North Augusta (the “City”) is soliciting the services of qualified firms of certified public accountants to audit its financial statements for the fiscal year ending December 31, 2020, with the option to audit the City’s financial statements for each of the three subsequent fiscal years. These audits are to be performed in accordance with the provisions contained in this request for proposals.

B. Scope of Work to be performed

The City will be including its financial statements in a Comprehensive Annual Financial Report (CAFR). The City desires the auditor to determine whether the basic financial statements present fairly the financial position, results of financial operations, and cash flows in accordance with accounting principles generally accepted in the United States of America and whether the supplementary information is fairly presented in all material respects “in relation to” the financial statements taken as a whole and to express an opinion on the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America.

The City also desires the auditor to express an opinion on the fair presentation of its combining and individual non-major fund financial statements and supporting schedules in conformity with generally accepted accounting principles.

C. Auditing Standards to Be Followed

To meet the requirements of this request for proposals, the audit shall be performed in accordance with generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants, the standards for financial audits set forth in the U.S. Comptroller General’s Government Auditing Standards, the provisions of the federal Single Audit Act as amended in 1996, if applicable, and U.S. Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments, and other applicable State laws and regulations.

D. Reports to be issued

Following the completion of the audit of the fiscal year’s financial statements, the auditor shall issue a report on the following:

1. A report on the fair presentation of the financial statements in conformity with generally accepted accounting principles and on the supplementary schedule of expenditures of federal awards.
2. A report on compliance and on internal control over financial reporting based on an audit of financial statements performed in accordance with *Government Auditing Standards*.

3. If applicable, a report on compliance with requirements applicable to each major federal financial assistance program and on internal control over compliance in accordance with OMB Circular A-133.
4. If applicable, a schedule of findings and questioned costs.
5. If applicable, a summary prior year findings.

In the required report on internal controls, the auditor shall communicate any control deficiencies found during the audit. A control deficiency shall be defined as a significant deficiency in the design or operation of the internal control structure, which could adversely affect the organization's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Control deficiencies that are also material weaknesses shall be identified as such in the report.

Irregularities and illegal acts. Auditors shall be required to make an immediate, written report of all irregularities and illegal acts or indications of illegal acts of which they become aware to the Mayor, City Administrator, and Director of Finance of the City.

At the request of the Mayor and City Council, the auditor shall present at a public meeting the results of the audit to include the financial condition of the City's funds.

E. Special Considerations

The GFOA has awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of North Augusta for the past 31 years ended December 31, 1982, through December 31, 2013, for its Comprehensive Annual Financial Report (CAFR). The CAFR for the period December 31, 2014, has been submitted to the GFOA and is still under review. The City intends to submit all future CAFRs to the Government Finance Officers Association of the United States and Canada for review in their Certificate of Achievement for Excellence in Financial Reporting program. It is anticipated that the auditor will be required to provide special assistance to the City to meet the requirements of that program.

F. Working Paper Retention and Access to Working Papers

All working papers and reports must be retained, at the auditor's expense, for a minimum of four (4) years, unless the firm is notified in writing by the City of the need to extend the retention period. The firm shall respond to the reasonable inquiries of successor auditors and allow successor auditors to review working papers relating to matters of continuing accounting significance.

III. DESCRIPTION OF THE GOVERNMENT

- A. The auditor's principal contact with the City will be Cammie T. Hayes, Director of Finance, who will coordinate the assistance to be provided by the City to the auditor. An organizational chart (Appendix A) is attached.
