The services are requested for the **Knobcone Avenue Sidewalk** and the **North Augusta Greenway Extension** Transportation Alternative Program (TAP) Grant projects. The Knobcone Avenue Sidewalk project includes approximately 2200 linear feet of 5'-wide concrete sidewalk from Pisgah Road to North Augusta High School, within existing SCDOT R/W. These services may include but may not be limited to quality acceptance and assurance, inspection and testing in the areas of concrete, earthwork, drainage and base, erosion control, traffic control, and asphalt roadway to determine compliance with the contract requirements.

The CITY will select one Firm to provide these services. Consultants will be evaluated and ranked based on their score during the selection process.

The CITY will use a one-step evaluation process to select a consultant with which to execute a contract for this Project. The Selection Committee will review responsive, responsible submittals and score based on the technical criteria contained within the RFQ.

Once the Selection Committee finalizes its evaluation, the CO will compile the finalized scores and rank the firms. The CO will recommend the highest ranked firm to the City Administrator. The City Administrator will have final approval.

Cost is NOT a factor in the ranking of consultants to provide services herein. DO NOT include any reference to consultant costs in the RFQ response. Any RFQ response with any discussion of cost will be disqualified. Consultants are advised that this evaluation and selection process is a competition and not simply a prequalification. Note that the method of payment for this contract will be a cost plus fixed fee, specific rates of compensation/unit rates with a contract maximum, or lump sum.

The selection committee will then meet to discuss the SOQs and determine if interviews are necessary. If interviews will not be conducted, members finalize their individual scores and submit them to the Contract Officer (CO). If the selection committee determines interviews are necessary prior to selection, the committee will develop the format for the interviews which will be used to refine and fill in gaps from their preliminary scoring. Upon conclusion of the interviews, the committee will reconvene to discuss the interviews and finalize their individual scores.

Consultants are advised that the CITY may use all information provided by the consultant and information obtained from other sources in the assessment of past performance and quality of past performance, including SCDOT Consultant Performance Evaluation (CPE) Scores. Past performance information on contracts not listed by the consultant, or that of named subcontractors, may also be evaluated. The CITY may contact references other than those identified by the consultant and information received may be used in the evaluation of the consultant's past performance. While the CITY may elect to consider information obtained from other sources, the burden of providing current, accurate, and complete past performance information rests with the consultant. The criteria with relative point value shown below will be the basis for the submitted proposal evaluation and score.

Criteria 1	40%	Experience, qualifications and technical competence of CE&I staff
Criteria 2	30%	Past performance of the project team on similar projects
Criteria 3	20%	Team's understanding of the requirements of this project and project approach

G. FINAL SELECTION AND NOTIFICATION:

The CO will compile the finalized scores, rank the firms, and send the list of ranked firms to the City Administrator with a recommendation to begin contract negotiations with the highest ranked firm. The City Administrator may approve entering into contract negotiations with the top ranked firm, or reject the selection altogether (in which case the project may be re-solicited).

The intent is to enter into a contract with the top firm pending successful negotiations. All awards will be posted on the CITY website.

H. TIE BREAKER:

Final evaluation scores are determined from the average of the voting selection committee member's scores. Final scores will be rounded to the nearest whole number. In the event of a tie, final scores will be extended to the hundredth (2 decimal points) to determine the higher ranked firm. In the event scores are still tied the order of negotiation among the tied firms will be determined by a random drawing of the tied firms' names. The first firm drawn will be considered the highest ranked firm, with the next firm drawn deemed as number two in the order and so forth.

I. INSTRUCTIONS TO CONSULTANTS:

ADDITIONAL INFORMATION: The CITY reserves the right to request or obtain additional information about any and all responses to the RFQ.

AMENDMENT: Any amendment will be posted at the City of North Augusta website. The RFQ may be amended at any time prior to the RFQ response submittal date. Violations of NTP may result in non-payment of work performed, termination of an impending contract, or loss of federal funds, if applicable. Consultant billing shall not date prior to contract and/or modification of execution date.

AWARD: Contract award will occur after successful negotiations with the selected firm are reached. All selected firms and awards will be posted on the CITY website. Award will be made to the top ranked firm that has successfully negotiated a contract.

At the CITY's discretion, the CITY may reject the proposal as non-responsive due to the conflict of interest notwithstanding proposer's mitigation efforts. The CITY considers it a conflict of interest for a consultant to represent more than one party in relation to any given project regardless of which phases of the service are involved. If proposer fails to disclose a conflict of interest, the CITY may reject the proposal as non-responsive. If after award of the contract an organizational conflict of interest is determined to exist, the CITY may, at its discretion, cancel the contract. If the proposer was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the CITY, then the CITY may terminate the contract for default. Consultant must complete and submit a DISCLOSURE OF POTENTIAL CONFLICT OF INTEREST CERTIFICATION certifying it does not have any financial or other interest in the outcome of the project, that it has no agreement, enforceable promise, or guarantee with any individual or company to provide any work on the project, that it does not have any association or professional or business relationships with anyone who has a financial interest in the outcome of the project, nor does anyone with a financial interest in the outcome of the project, exercise any control over the consultant's pay, employment, bonuses, or other area subject to external influence.

Only written requests (emails are acceptable) for a debriefing will be scheduled. If a consultant chooses to schedule a debriefing prior to contract signature, they can no longer be considered for award of this contract. However, the option exists to schedule a post-award debrief which will not jeopardize their opportunity for contract award should negotiations with the selected firm(s) prove unsuccessful.

(B) If during the selection process, the CO is notified by the consultant that key individuals are not available, action must be taken as follows: (1) if notified before scoring is complete, but after deadline for submittal, the consultant shall submit the formal name (first, middle, maiden if applicable, and last) and resume of a replacement having equal or better qualifications who would be replacing the key individual. The selection committee will score using the new key individual; (2) if notified after the scoring is complete, but prior to final approval, and the change involves the top scoring consultant, the consultant can submit the resume of the person having equal or better qualifications who will replace the key individual. The selection committee must then determine if the new person would affect the selection results. If not, the CO will notate the change and the justification for keeping the selection results. If it does, the selection committee will re-score the top consultant and change the selection; or (3) if a consultant notifies the CO of a key individual change any time after the final approval, the CITY must determine if the new key individual is acceptable. If not, the consultant will be rejected and the next highest qualified consultant selected.

(C) To qualify for the CITY's authorization to replace a key individual, the firm must submit the resume and SF 330 of the replacement, a written request explaining the reason for the change and must document that the proposed removal and replacement will provide services and/or management of the Project equal to or better than that submitted with the proposal. The CITY will use the criteria specified in the advertisement and the qualification submitted by the firm to evaluate all requests. KEY INDIVIDUAL CHANGES AFTER AWARD THIS SOLICITATION: All key individuals identified in the submitted proposal shall remain for the duration of the procurement process and if the Prime Consultant is awarded a contract, the duration of the contract. LAWS AND REGULATIONS: It is the responsibility of consultant to know and understand state and federal contracting and project regulations, rules, policies and procedures. Consultants shall conform to all state and federal requirements.

LEGAL NAME: This is defined as an individual's formal name: first, middle, maiden if applicable, and last. Nick names may be included as an addition to, but not a replacement of the formal, legal name.

MULTIPLE PROPOSALS: Consultants are prohibited from submitting on multiple proposals as the prime consultant in response to this advertisement.

OWNERSHIP: All materials and written qualifications submitted pursuant to this RFQ shall become the property of the CITY and will not be returned. All responders must visibly mark as "CONFIDENTIAL" or "TRADE SECRET" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. For every document consultant submits in response to or with regard to this RFQ, consultant must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that consultant contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) confidential proprietary information, as that phrase is used in Section 30-4-30(a)(5)(c). For every document consultant submits in response to or with regard to this RFQ, consultant must separately mark with the words "TRADE SECRET" every page, or portion thereof, that consultant contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. **All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark the entire Proposal as confidential or proprietary. If your response, or any part thereof, is improperly marked as confidential or trade secret, consultant waives its confidentiality and the CITY may, in its sole discretion, determine if it should be released.** All unmarked pages will be subject to release in accordance with law. By submitting a response, consultant agrees to defend, indemnify and hold harmless the State of South Carolina, its agencies, officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the State of South Carolina or any of its agencies, that consultant marked as "confidential" or "trade secret".

SUBMITTING REDACTED PROPOSALS: If your proposal includes any information that you marked as "Confidential," or "Trade Secret," in accordance with the clause entitled "OWNERSHIP", you must also submit one complete copy of your proposal from which you have removed or concealed such information (the redacted copy). The redacted copy should (i) reflect the same pagination as the original, (ii) show the empty space from which information was redacted, and (iii) be submitted on magnetic media. Except for the information removed or concealed, the redacted copy must be identical to your original offer, and the Procurement Officer must be able to view, search, copy and print the redacted copy without a password. PREPARATION OF RFQ: Consultants and/or sub-consultants who assist the owner in the preparation of a RFQ document will not be allowed to participate in this RFQ or join a team submitting a proposal in response to the RFQ. However, the CITY may determine there is not an organizational conflict of interest for a consultant or sub-consultant where: (a) The role of the consultant or sub-consultant was limited to provision of preliminary design, reports, or similar "low-level" documents that will be incorporated into the RFQ, and did not include assistance in development of instructions to proposer or evaluation criteria, or (b) Where all documents and reports delivered to the agency by the consultant or sub-consultant are made available to all consultants.
