

ALL-IN-ONE

RECYCLING

REDUCE & RESUE

Collection Day: Roll carts should be placed at the curbside in front of the residence no sooner than 7:00 p.m. the day before collection and no later than 7:00 a.m. the day of collection. Roll carts must be removed from curbside by 7:00 p.m. the same day of collection.

Curbside Collection: The City uses automated collection vehicles equipped with mechanical arms designed to lift and empty roll carts. Roll carts should be placed with the front of the cart facing the street within two (2) feet of the edge of the curb or pavement and at least five (5) feet away from obstructions such as fences, mailboxes, power poles and shrubs. The roll cart should never be placed in the road or sidewalk where traffic may be blocked.

Bulk Trash Placement: Bulk trash should be placed a minimum of three (3) feet from the edge of the curb or pavement and at least five (5) feet away from obstructions such as automobiles, fences, mailboxes, power poles, and shrubs. Bulk trash should never be placed in the road or sidewalk. Bulk trash should be piled and/or stacked neatly and not mixed with yard waste such as leaves and tree limbs.
