

# Christmas TreeCycle is back!

Once again, residents can recycle their Christmas Trees through the City of North Augusta TreeCycle Program. **The program begins on Monday, January 10, 2022 and continues through Thursday, January 13, 2022.** The trees will be picked up curbside on your normal day of sanitation collection.

Your Christmas tree is a sustainable resource! Please remove all items from the tree, including the stand, before placing it curbside. The TreeCycle Team cannot mulch stands, ornaments, wire, tinsel, etc.

If you have any question please contact Public Services at 803-441-4240 or 803-441-4245 for further information.
