

## Draft ARTS MPO Bicycle & Pedestrian Plan Review: We want to hear from you!

In-person and online opportunities to comment on the draft plan will be available beginning in April (comment period through May), please see below!

### Who is ARTS?

The Augusta Regional Transportation Study (ARTS) is a Metropolitan Planning Organization (MPO) covering the urbanized areas in Augusta-Richmond County, GA and Aiken County, SC (also including parts of Edgefield County, SC and Columbia County, GA).

### What is this project?

In 2012, ARTS completed a comprehensive bicycle and pedestrian plan. In 2022-2023, ARTS has been working to update the plan, including recommendations for projects and programs to improve the walking and bicycling environment in the two-state metropolitan area.

## Open House Meetings

These informal meetings are a chance to learn more about the draft plan, talk to project planners, and share feedback about the draft plan and walking/biking in the ARTS region.

**April 18, 4:00pm-5:00pm**
