Connect The Dots: Your Feedback Helps Chart Our Future!

The Lower Savannah Council of Governments (LSCOG) is conducting a planning study of its public transportation system, the Best Friend Express. **We need your input!**

PROJECT PROCESS

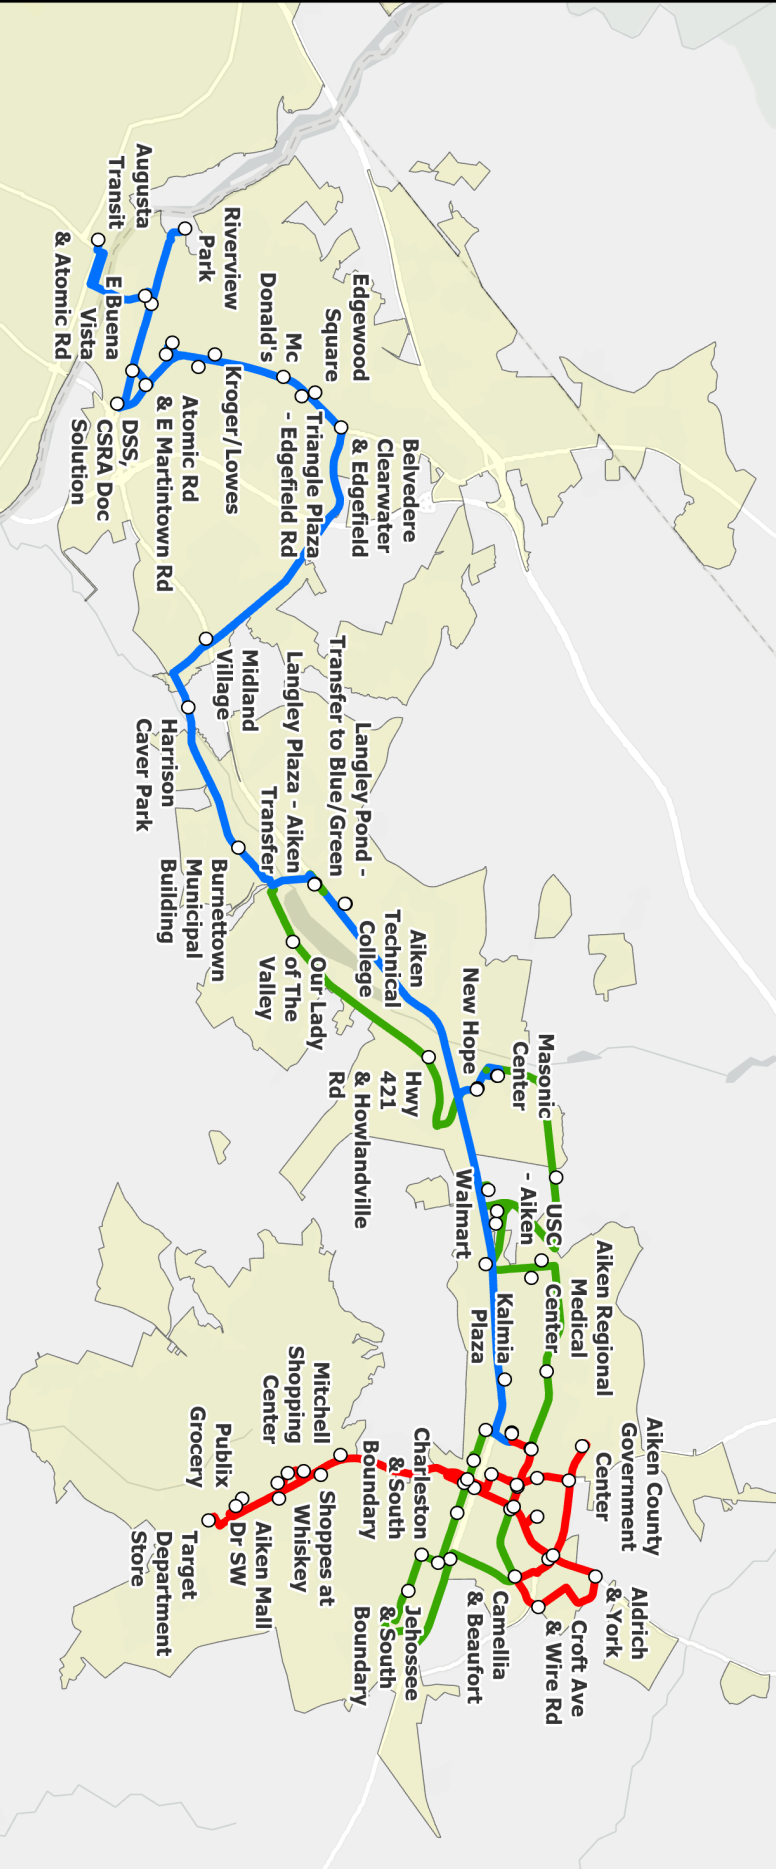

About the project

- » LSCOG is working with community partners and a project consultant to evaluate the current transit system and conduct community outreach.
- » With your help, the project team will propose recommendations and solutions that can positively shape the future of public transportation in Aiken and North Augusta.
- » The draft plan will be presented to the community at public meetings held in Spring 2024.
- » We welcome your thoughts on this important study.
