It is the intent and purpose of the City of North Augusta that this invitation to Bid promotes competitive bidding. It shall be the bidders responsibility to advise the Department of Public Safety at the address noted if any language, requirement, etc. or any combination thereof, inadvertently restricts or limits the requirements stated in this invitation to Bid. This bid will not be awarded solely by the lowest prices alone, although this will be an important consideration. Please mark the outside of these bids clearly with **"RFP-PS-001-2024 – BID: Emergency Vehicle Up-fitting"**.

The bid sheet should include an equipment cost with the equipment being an itemized list with a charge for each item and total price. Bids are to include any applicable charges including tax, freight, delivery, etc. and bid prices must be valid for 90 days after the bid opening. For further details and exact specifications, please refer to the associated specifications document in Adobe PDF format. If you have any questions in regards to the RFP, please contact the Department at 803-441-4251.

This contract will be in effect for 2 years, with an extension of the contract on a year-to-year basis upon mutual agreement of both parties. Completion of installation will be completed in a time agreed to by the installer and the Department, with the Bid including the time frame the bidder expects installation completion.
