Tax Increment Revenues The TIF Act authorizes municipalities to incur indebtedness for the purpose of financing development in areas which are or which are threatened to become blighted and to fund the debt service of such indebtedness. The TIF Act, all property taxes of all taxing jurisdictions imposed and collected within the Redevelopment Project Area in excess of the amount attributable to the "total initial equalized assessed value" of all taxable real property in the Redevelopment Project Area shall be paid to the municipality which shall deposit the taxes into a special tax allocation fund for the purpose of paying redevelopment project costs and discharging the obligations incurred in the payment of such costs. Certain portions of the taxes deposited to or otherwise subject to deposit to the special tax allocation fund are disbursed to overlapping taxing entities in accordance with agreements between the City and political subdivisions pursuant to which they agreed to participate in the TIF on a modified basis. As of 06/30/2024, \$10,838.62 has been disbursed to overlapping taxing entities. The Tax Increment Revenues table below includes special assessments billed and collected on the City's property tax bills. The special assessments are further defined in the MID Assessments section following.

MID Assessments The municipal improvement district (MID District) consists of certain parcels owned by the private developers within the TIF District where private improvements will be constructed. The City has imposed a special assessment on the parcels in the MID District owned by the private developers. The special assessment has been set on an annual basis at an amount equal to an estimate of the TIF revenues that will result from the private improvement specified in the Master Development Agreement. 2020 was the first year the special assessments were billed and payable. These assessments are due to the City no later than May 1 in the year the special assessments are billed to avoid penalty.

Parking Revenues Parking revenues are received from certain parking facilities owned or operated by the City including the Medac Deck, Hotel Deck and various lots owned by the City. Revenues received are netted against expenditures incurred for operations and maintenance of the parking facilities. The reduced collections in 2020 are related to the outbreak of COVID-19. The City is currently working with the hotel developer and hotel management to reconcile: 1) amounts due to the City for the City's pro rata share of parking revenues collected by the hotel and 2) amounts due from the City for reimbursement of agreed upon operating expenses of the hotel deck and agreed upon management fee. Total net parking revenues will be updated upon reconciliation.
