ITEM 6. PERSONNEL: Employee of the Quarter, January, February, and March, 2014 – Tony Hattaway

The City of North Augusta Employee Recognition Committee would like to recognize the Employee of the Quarter for January, February, and March, 2014, Tony Hattaway, Customer Service Representative in the Finance Department.

Tony Hattaway has been employed by the City of North Augusta Finance Department since November 21, 2011. Tony is an excellent example of a good employee; he accepts utility payments and is on the front line of customer service for the City dealing with citizens all day. He graciously greets each customer or staff member that comes in the door each day. Tony genuinely seems interested in listening to their concerns and helping to resolve them and that is very important in his job. Tony's attitude remains calm and composed with each customer, and he works hard to manage his job professionally and effectively under all types of situations.

Working in the utility payment center requires Tony to be on his feet all day on most days. Even with a hurt foot for months Tony got his job done without his customers or even staff members realizing he was hurt. There are days with long lines, crying children, confusion by customers, customers expressing all types of views on City workers or politics but Tony always manages to keep the lines moving efficiently. The customers appreciate his kind manner in dealing with their issues.

Tony represents the City of North Augusta as the face that comes into direct contact with so many of our City residents. Tony is a positive influence and representative of our staff.

Congratulations to Tony Hattaway, our employee of the first quarter of 2014. Tony will receive a plaque, a \$25 gift certificate to SMS Sportsworld, and a \$25 Wal-Mart gift card.

ITEM 7. PERSONNEL: Employee of the Quarter, April, May, and June, 2014 – Melanie Chavous

The City of North Augusta Employee Recognition Committee would like to recognize the Employee of the Quarter for April, May, and June, 2014, Melanie Chavous, PSO for the Department of Public Safety.

Melanie began her employment with the City of North Augusta in September 1999. Her husband Chris is a Sergeant on Road Patrol for the Aiken County Sheriff's department and they have an 8 year old son Christopher who is 3rd grader at Belvedere Elementary.

Melanie is currently assigned to Criminal Investigations Division as the department's School resource officer at North Augusta High School. She is responsible for providing security to the school staff and students and devotes most of her time developing positive relationships with the students. If being resource officer is not enough by itself, Melanie also enjoys coaching volleyball at Paul Knox Middle School.

Melanie has been the team captain for the American Cancer Society's Relay for Life for the past two years. As the captain of the team she is responsible for coordinating all fund raising activities that includes spaghetti dinners, garage sales, boot drives and selling t-shirts. She is also responsible for coordinating the Relay for Walk event conducted every year at the North Augusta High School Stadium. Since becoming the team captain in 2013, Melanie has helped to raise approximately \$10,000 for the American Cancer Society.

As you can see, Melanie is very involved in the community and a great ambassador for the City of North Augusta.

Congratulations to Melanie Chavous, our employee of the second quarter of 2014. Melanie will receive a plaque, a \$25 gift certificate to SMS Sportsworld, and a \$25 Wal-Mart gift card.
