The following are among the topics for discussion and review:

ITEM 2. PARKS, RECREATION, AND LEISURE SERVICES: Land Conversion of 6.06 Acres of Riverview Park – Council Update Following September 16, 2013 Study Session and Review

Following the September 16, 2013, update, it was the general consensus of Council that the proposed land conversion of 6.06 acres of Riverview Park was needed for the water plant expansion, but that Director of Parks, Recreation, and Leisure Services, Rick Meyer, should explore additional possible acres to be used for the land conversion and report back to Mayor and Council.

Director of Parks, Recreation, and Leisure Services, Rick Meyer, explored additional possible acres to be used for the land conversion and is now recommending that we change the location of the land conversion to Brick

Pond Park. The acreage of Brick Pond Park should also allow the City to convert the additional 29.61 acres at Northview Park and the 3.49 acres next to the Sunset Cemetery.
