The C3 Challenge logo represented the city and government entities that participated in the challenge, which were the City of North Augusta, City of Aiken, and Aiken County. The C3 Challenge was a fitness challenge that took place over the course of 10 weeks (Jan 19th- Mar 29th) and consisted of initial and final fitness data, to include aerobic fitness, strength, endurance, flexibility and biometrics along with food, water, and activity logs. Every section had a point range and the employee was scored based on their performance and age category. Although C3 was not a weight loss challenge, the 62 City of North Augusta C3 participants lost 461 pounds.

The City of North Augusta placed second in the challenge. Aiken County won overall with the City of Aiken placing third. All of the participants should be proud of their efforts. Wellness Committee members Judy
