SUBJECT: Agenda for Regular Meeting of April 4, 2016

## **REGULAR COUNCIL MEETING**

**ITEM 5. PERSONNEL: Employee of the Quarter, January, February, and March, 2016 – Dottie Price, Dispatcher for the Department of Public Safety**

The City of North Augusta Employee Recognition Committee would like to recognize the employee of the quarter for January, February, and March, 2016, Dottie Price, Dispatcher for the Department of Public Safety.

Dottie started her employment with the City of North Augusta on February, 18, 1998.

Dottie is currently assigned to the Public Safety Communication Center and the duties of TAC officer along with normal dispatch duties. These additional duties include keeping the North Augusta Department of Public Safety agency in compliance with SLED and FBI procedures related to the National Crime Information Center. In the past three years, the Communication Center has been overhauled related to procedures and documentation. Ms. Price took the position of TAC officer and has worked above expectations to make the agency compliant. The Department of Public Safety has had three audits from SLED relating to NCIC compliance with the most recent being the first of March, 2016. The audits were almost perfect, a great accomplishment thanks to the hard work and many hours Ms. Price has devoted to the task. To reach this goal Ms. Price had to start from the beginning reorganizing and creating proper procedures related to information that has to be tracked. All files in the Communication Center are in compliance and personnel are trained to the minimum standards of which Ms. Price keeps track of.

Dottie Price is a tremendous asset to the Department of Public Safety and the City of North Augusta workforce.
