RE: Title VI Compliance On-Site Review
City of North Augusta

Dear Mr. Glover:

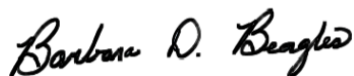

Pursuant to Federal nondiscrimination regulations (23 CFR 200.9 (b) (7) and 49 CFR 21), the Office of Business Development & Special Program conducted a Title VI Compliance Review for the City of North Augusta.

After reviewing the City of North Augusta's preliminary submittal, we have determined that an on-site review is necessary. Please see the enclosed Title VI Review Corrective Action Plan. The Corrective Action Plan identifies the deficiencies found. The City can begin remedial action and submit additional information prior to the on-site review as it relates to the corrective action plan to promptly resolve deficiency status.

The on-site review will be conducted on Tuesday, April 12, 2016 at 10:30 a.m. In preparation for our arrival, please have a room available so we can review Title VI documents and files. We also request that the City's Title VI Designee and/or staff must be present on the day of the review.

If you have any questions, please feel free to contact Renee Miller-Cotton by telephone at 803-737-5095 or by e-mail at MillerRC@scdot.org.

Sincerely,

Barbara Beagles
Compliance & Quality Assurance Manager
